

AAP WOMEN'S POLO 2019

1- League format / Create Women's World Polo League

The AAP aims to generate and apply for the Women's Polo the concept of leagues, divided into 3 different levels, so that the teams maintain their formations, add points and can compete both at the National and International levels.

The leagues will be:

LOW: 0 to 10 goals

MEDIUM: 11 to 18 goals

HIGH: 19 to 22 goals and Open

MIXED

On the other hand, the AAP seeks to coordinate the conformation of the schedule, working on a more inclusive high handicap proposal, looking for more teams to participate and compete, both with local and foreign players, in order to start creating a Women's World Polo League (WWPL).

2- New Rules

After analyzing the returns of all the participating teams of the National Women's Testing tournament 8 | 4 | 6 it was concluded that:

DURATION OF THE GAME: The chukkers will last 4 minutes and intervals 2 minutes:

LOW | 6 chukkers of 4 minutes

MEDIUM | 8 chukkers of 4 minutes

HIGH | 10 chukkers of 4 minutes

Goals: Greater security avoiding tired horses and players, lower organization and logistics costs, less horses with higher performance, the possibility of repeating the best ones.

"I found the system of fewer minutes and more chukkers VERY GOOD. You do not see exhausted horses or players trying to stop the horses against another player. The horses that are repeated recover well." Lia Salvo

FOULS:

LOW and **MEDIUM**

Penalties of 30 and 40 yards remain the same

The penalties of 60 yards will be with free arch and will only be able to go out to defend the one that committed the infraction (up to 18 goal tournaments)

No changes will be made in the **HIGH**

AMOUNT OF HORSES:

The number of horses per game will **NOT** be limited.
Horses can **NOT** be changed during the chukker (except injury).

ALL THE MATCHES WILL BE PLAYED WITH **HANDICAP**, BOTH THE MAIN CUP (“COPA DE ORO” - GOLD CUP) AND SUBSIDIARY (“COPA DE PLATA” - SILVER CUP).

3- World Schedule:

As mentioned above, one of the goals is to generate a global calendar, where each of the most important Associations share their dates and tournaments, framed within these categories and thus achieve a World League:
